

## Dataset and APIs

- Since we have used multiple datasets and the file size also is very large and we are using API's as well we are attaching the link to download all the used datasets and APIs here. They are not included in the code as well.
- OpenStreetMap Dataset: <https://www.kaggle.com/datasets/bigquery/geo-openstreetmap>
- Yelp Dataset: <https://www.kaggle.com/datasets/yelp-dataset/yelp-dataset>
- Google Map API: <https://developers.google.com/maps/apis-by-platform>
- OpenAI API: <https://platform.openai.com/docs/introduction>
- PaLM API: <https://ai.google.dev/>
